

Double-glass bifacial solar 440 modules

Tier 1 MCO SOLAR N-type product Topcon 440w double glass half-cut 108-cell full black Double-sided power generation & higher efficiency. Free shipping on orders over \$50!

We show you the best offers from leading and verified photovoltaic dealers. Compare prices for solar products with one click and save on every purchase. Make a non-binding inquiry; you can then ...

Powered by the latest MBB n-type solar cell and half-cell configuration, these modules have higher output power, lower LID, better weak illumination response, and better temperature coefficient.

Featuring advanced n-type Bycium+ cell technology and multi-busbar half-cell construction, this 440W module delivers excellent output even in low-light conditions. With a maximum module efficiency of ...

This robust solar panel is resistant to extreme weather conditions such as strong winds, heavy snow, and high temperatures. The panel uses double glass for protection against PID, moisture, and UV ...

High-efficiency ZNShine 440W N-Type TOPCon bifacial double-glass solar panel (ZXM7-UHLDD108). 22.5% efficiency with 12-year product & 30-year performance warranty.

This long-lasting high-performance solar module with the latest bifacial N-type TOPCon half-cell technology is our absolute top product. The bifacial half-cells also enable an additional yield of up to ...

The JA Solar JAM54D40-440/LB is a 440W premium cell solar panel with a black frame. This n-type Double Glass Bifacial Module is very efficient and operates with extremely low LID.

Excellent Appearance Performance Bifacial solar cell, symmetrical design, low risk of micro-crack

The JA Solar JAM54D41-440/LB is a bifacial double-glass solar module with a nominal power of 440 Wp . It utilizes light absorption from both sides for higher energy yield and offers high resistance and ...
