Femi Adeyemo, founder and chief executive officer for Arnergy, a Bill Gates-affiliated venture which provides energy solutions to residential, commercial, and industrial customers in ...

While intended to promote local manufacturing, critics argue -- and CEO Femi Adeyemo agrees -- that the policy is premature given Nigeria's inadequate local capacity. A rushed ...

In his role as CEO, Femi provides overall strategic leadership and oversight for Arnergy. He also plays a primary role in driving technology, innovation, product development and business ...

Founded in 2013 by Femi Adeyemo and Kunle Odebunmi, Arnergy provides solar-plus-storage energy systems to homes and businesses that face unreliable grid access.

Femi is an entrepreneur with flair for disruptive innovations, he founded Arnergy, a venture backed distributed utility providing sustainable solutions to energy reliability issues in emerging...

FEMI ADEYEMO: I see the lack of a cost-reflective tariff, policy back and forth, and over-regulation as the biggest obstacles to the take-off of Nigeria's generation sector.

Meet the leadership team at Arnergy, driving our renewable energy mission for a sustainable future.
