What are the best outdoor solar lights?

Our favorite outdoor solar lights are the budget-friendly Urpower Beams. They come with a motion sensor and cast light up to 8 feet away--perfect for lighting your way home and deterring intruders.

What are the best outdoor lights for outdoor spaces?

Our top pick for most outdoor spaces is the AloftSun Motion Sensor Solar Landscape Spotlights. We love these lights so much, we've tested them twice. Both times we found them to be durable, easy to use, and bright. We also love that these spotlights can detect motion from as much as 33 feet away, depending on the setting.

Should you put solar lights in your outdoor space?

As long as your solar lights can get a consistent charge over the course of the day, where you decide to place them can make your outdoor space feel like the best hangout spot in your home after dark.
